*******Very Important*******

It is strongly advised that you do not use copyrighted materials, as getting permissions may be costly and difficult. Visit a copyright-free music library or the band or chorus at your high school if any background music needed. All entries into the "A Promise for Tomorrow" Youth Suicide Prevention Video Contest MUST be in compliance with copyright law in order to be eligible for the contest. Under copyright laws, all entries must get permission to use any copyrighted music, including popular tunes available on the Internet or audio recordings, or copyrighted images, from the copyright holder. If copyrighted music or images are used in a video entry, and copyright permission is not proven through the submission of this form as well as satisfactory evidence of permission, the video entry will not be eligible.
